Stretch Questions:

1. Research the Hebrew word "Yom" and give it's meaning in English and be prepared to defend the literal translation of the word as opposed to the modern-day theories that try to state that Creation occurred over a long period of time rather than the 6 literal days as mentioned in Genesis 1.
Read Exodus 20:11
2. Research the current theories on Global warming and be prepared to discuss why it is or why this theory is not valid in light of Genesis 8:22. Hint: Check out some articles on the internet by googling Global Warming and also look at www.apologeticspress.org
