## MISSION

The mission of the Sonflower Preschool is to provide a safe, loving, and Christian learning environment for children entrusted to our care. All personnel are committed to this mission and will strive to serve your child and your family as you seek to serve God. Bible study is a part of each school day's activities.

## HISTORY AND OPERATIONS

The Sonflower Preschool began in the fall of 1998. The Elders of the Buford Church of Christ saw the need for a Christ centered preschool. The focus for service of the school would be families of the congregation as well as families in the community.

Sonflower Preschool operates under the direction of a certified educator who has served the school

as Director since it's beginning. Oversight of the school is provided by a Board of Directors with varying backgrounds in education and child development.

The Director, teachers, security personnel and members of the Board of Directors are active members of the Buford Church of Christ.

We offer classes for ages two through four with sessions taking place Tuesday through Friday. Spacious classrooms, other facilities and security are provided by the Buford Church of Christ.

## CURRICULUM

We will encourage growth for each child physically, spiritually, emotionally and mentally. We will support and guide each child in developing self-reliance which comes with usage of their natural talents and abilities. Our model, Christ, "increased in wisdom, stature and in favor with God and man." Luke 2:52.
