

A ETHIC OF SOBRIETY

EPHESIANS 5:15-21

What does the Bible say about alcohol and other intoxicating substances? Does God's Word only condemn the state of drunkenness and intoxication, or does it also condemn the recreational consumption of such substances? Our culture condemns consumption of intoxicating substances when it crosses the line into what is considered illegal or abusive. Is that the ethical standard to which we are to adhere as citizens of heaven or does God present a different standard?

WHAT BIBLICAL PRINCIPLES SHOULD IMPACT OUR ETHIC OF SOBRIETY?

1. " _____ " or " _____ " is identified as a sin (Romans 13:12-14; 1 Corinthians 6:9-11; Galatians 5:16-24; 1 Peter 4:1-5).

2. Paul's prohibition to "not get drunk" includes _____ and not just _____ (Ephesians 5:18).

3. The Bible instructs us to be " _____ " and " _____ " (Galatians 5:21-22; 1 Thessalonians 5:4-8; Titus 2:2, 5-6, 8, 12; 1 Peter 1:13; 4:7; 5:8; 2 Peter 1:6).

4. The Bible instructs us to not be a _____ to others (Romans 14:13-23; 1 Corinthians 8:1-13).

5. God expects me to take _____ measures in order to avoid _____ (2 Peter 3:14; Luke 13:24; Hebrews 12:14; Matthew 5:29-30).
