

## EDUCATION MISSION STATEMENT

The Buford Church of Christ Education Ministry is designed to help us meet the challenge of teaching everyone we can about the Lord and His expectations for us. We offer a variety of classes, training, development and encouragement with the intention of addressing a variety of needs. Our classes are designed to be supplements to our personal Bible study. Each quarter we try to offer a variety of classes to increase Bible knowledge and

promote individual spiritual growth so that each of us will be equipped to spread God's love and word to our neighbors, community and the world.

- Increase Bible Knowledge of each individual Soul; promote individual Spiritual Growth via well equipped and enabled teachers
- Encourage/promote evangelism creating a mission mindset – "each one reach one"
- Increase a desire for God's word that leads to more consistent attendance of Sunday AM and Wednesday PM Studies
- Develop specific curricula for each age based upon spiritual, educational and developmental levels
- Support and encourage Bible Class Teachers, providing resources, training, materials and support
- Promote Bible Education outside the classroom, promote/support Bible study at home and study groups
- Establish Biblical Resources for Teachers and Students to help them in being servants of God
- Support the Goals and Ministries of the Buford Church for Christ
