

# Teacher Registration/Update

---

## Purpose

A sound spiritual education is a primary goal of Buford Church of Christ and its elders. In order to accomplish this goal we need a supply of available teachers, assistants, and substitutes each quarter and for each class. This form is an opportunity for you to let us know when you are available to teach and what your age preferences are. We will consider this when making schedule requests.

## Availability

Please give us an idea of your schedule as best you can. Your Schedule can be updated at any time for the next quarter. We request that you be available to teach for the number of weeks listed based upon your role in the classroom. Normally an assistant will be available for the whole 13 week quarter but we will allow swaps if necessary. Substitutes are basically on call and only expected to be utilized 3 weeks out of a quarter.
