

For many of us, it is very easy to take for granted the most essential needs for survival like food, water, clothing, and shelter. We live in a culture of prosperity where those needs tend to be easy to resolve. But this time of year tends to expose those needs in our community more than usual. As I assisted several people with benevolent requests on behalf of this congregation over the past few weeks, I was compelled to reflect on needs. So, this morning, while for many of us our blessings and our abundance are fresh on our minds, I want to take the opportunity to study what the Bible says about needs.

WHAT DOES THE BIBLE SAY ABOUT NEEDS?

1. God _____ our needs.
(Matthew 6:7-8, 31-32; Psalm 69:33)

2. God _____ for us to _____ our needs to Him.
(Luke 11:5-13)

3. God _____ to meet the needs of His people.
(Philippians 4:19; Matthew 6:31-33)

4. God _____ His people to _____ His need-meeting promise.
(Numbers 14:22; Acts 5:9; Deuteronomy 6:16; Malachi 3:10)

5. God _____ that we will be His need-meeting _____.
(Ephesians 4:28; James 2:14-16; 1 John 3:17; Titus 3:14)
