SOCIAL MEDIA OUTREACH

Our goal is to use the power of social media to make a positive impact in the lives of those we serve, build relationships, and to bring people closer to God.

Buford's Social Media Outreach team, known as the **REACHteam**, actively engages our social media platforms. Being a member of the **REACHteam** is a great way to get involved in the church and make a difference in the

lives of others. As a member of the **REACHteam**, you will be asked to like, share, and tweet our content regularly. This could include sharing spiritual encouragement, community awareness, church events, articles, reels and more. By sharing our content, you are helping to amplify our message and reach more people. This is an exciting new outreach effort and we will be providing training tips on how you can be successful!
