

YAHWEH RAPHA

EXODUS 15:22-26

One of the ways, if not the primary way, that God has made Himself known to us is through His names. Throughout the Bible, God drops different names in different situations to reveal different aspects of His character and His will. So, if we want to know God, then we have start by getting to know His names.

According to Exodus 15:22-26, Yahweh used an encounter with contaminated water to test the Israelites. When they failed that test by complaining, He then revealed a new name to them. That name was "*Yahweh Rapha*," and it means "Yahweh _____."

WHAT DOES THE NAME YAHWEH RAPHA TELL US ABOUT GOD?

1. YAHWEH RAPHA CAN RESTORE _____ HEALTH.

The Bible teaches that *Yahweh Rapha* has the _____ to heal all physical illnesses, but it also indicates that the application of His ability is _____ (2 Kings 20:1-6; 2 Samuel 12:15-18; John 11:1-14; 2 Corinthians 12:7-8).

When God chooses not to heal physically, He often has a _____ (2 Samuel 12:14; John 12:14, 41-42; 2 Corinthians 12:9). But we will never _____ why God chooses to heal some individuals and not others because "the _____ of God is _____ than men" (1 Corinthians 1:25).

Sometimes we experience the healing power of *Yahweh Rapha* _____ our illness, and sometimes we experience the healing power of *Yahweh Rapha* _____ our illness.

2. YAHWEH RAPHA CAN RESTORE _____ HEALTH.

The tasks of the Messiah outlined in Isaiah 61:1-2 address healing not so much of the human _____ but of the human _____, and they indicate that *Yahweh Rapha* sent His Son not just to heal physical wounds, but also _____, _____, and _____ wounds.

3. YAHWEH RAPHA CAN RESTORE _____ HEALTH.

Yahweh Rapha provided Israel with _____ water to sustain their _____ health, and He has made provision for your _____ health by providing _____ water (John 4:13-14).

At _____, when Yahweh Rapha wanted to protect His children from the consequences of contaminated _____, He used a _____. At _____, when Yahweh Rapha wanted to protect His children from the consequences of contaminated _____, He used another _____ (1 Peter 2:24).
