# SUNDAY CLASSES

## Sunday Bible Classes

Rooted is a six year Sunday morning Bible class curriculum designed to provide students in the BYG a comprehensive foundation of faith. The aim of this program is to plant our students in God's word, cultivate spiritual growth and give them the confidence to stand firm in their faith post-high school.

We want to help our students dig deeper so that they can reach higher.

7th -12th Grade | Upper Room

**A Study of 1 Corinthians | "Unity in the Body of Christ"**

Teacher: Ben McGreevy

As we seek to live a life dwelling in the light of Jesus, we are called to be unified together. 1 Corinthians is a book written to a group of people who were struggling to live as a unified body of believers. Through this study, we will challenge ourselves to be unified together through Jesus Christ.

## Wednesday's Classes

Wednesdays in the Upper Room are a significant part of our student ministry. Join us at 7pm!

### During the School Year

On Wednesdays, we take deep dives into scripture, and we break up into groups called S.E.A.L. Teams (Seeking Encouragement And Love). The teams allow youth to discuss the difficult

things that they are facing in day-to-day life, and how those things apply to the passage we studied that night. Adults are active in mentoring and leading in these break-out groups.

### Summer Series

During the Summer, two Interns join the BYG to work with our teens. We focus on a Summer theme that brings with it challenging and creative lessons. Several other activities are

planned for our teens that includes service, fellowship, summer camp, and spiritual events.

"Let no one  
despise you for  
your youth, but set  
the believers an  
example in speech,  
in conduct, in love,  
in faith, in purity."

1 Timothy 4:12
