# SUNDAY CLASSES

## Sunday Bible Classes

Rooted is a six year Sunday morning Bible class curriculum designed to provide students in the BYG a comprehensive foundation of faith. The aim of this program is to plant our students in God's word, cultivate spiritual growth and give them the confidence to stand firm in their faith post-high school.

We want to help our students dig deeper so that they can reach higher.

**May - The Outbreak -**

It's spreading like a disease. Something is slowly killing people in the church: the failure to allow the word of God to be placed on our hearts. In a world where everything seems so easy, why has spirituality become more difficult? GOOD NEWS: there is a medicine to cure the outbreak!

## Wednesday's Classes

Wednesdays in the Upper Room are a significant part of our student ministry. Join us at 7pm!

### During the School Year

On Wednesdays, we take deep dives into scripture, and we break up into groups called S.E.A.L. Teams (Seeking Encouragement And Love). The teams allow youth to discuss the difficult

things that they are facing in day-to-day life, and how those things apply to the passage we studied that night. Adults are active in mentoring and leading in these break-out groups.

### Summer Series

During the Summer, two Interns join the BYG to work with our teens. We focus on a Summer theme that brings with it challenging and creative lessons. Several other activities are

planned for our teens that include service, fellowship, summer camp, mission trips, and spiritual events.

"Let no one  
despise you for  
your youth, but set  
the believers an  
example in speech,  
in conduct, in love,  
in faith, in purity."

1 Timothy 4:12
