PRAYER REQUESTS

Our deepest sympathy is extended to Charles & Karen Ryal after the sudden passing of their son-in-law, Brandon Baum. He was a husband and the father of 2 children. Please remember them in your prayers during this very difficult time. Thankful prayers that Betty Richardson was able to be at worship Sunday following a fall and the installation of a pacemaker. Please keep Jan Calkins in your prayers as she's not able to be with us after she fell and a fence punctured her cheek; she asks that we pray that her tests for Parkinson's show that the results are minimal. Also, thankful prayers that Linda Overly was able to be at worship Sunday following several weeks of vertigo issues which are somewhat improved. Please continue to pray for Jan Butler, mother of Steven Butler, who's been diagnosed with breast cancer. She will undergo radiation after she's healed from the surgery. Larry Klinect is doing well following his procedure last week. Nyra is struggling to regain her strength following pneumonia and appreciates our prayers. Please pray that Dwayne Halbrook's chemo treatments are effective. It was also wonderful to see Louise Butler able to be with us Sunday. She so appreciates our prayers as she continues to undergo brain radiation for cancer. Please keep Karson Hough in your prayers as he continues in hospice care. He is the grandson of Alicia Workman and great-grandson to Dot Chlopek. Remember to pray for several of our number who are recovering at home from surgeries and recent hospitalizations: Helen Hamrick, Warren McGill, and Jeanette Woodall.

OUR BIBLE VERSE TO REMEMBER

"Let every soul be subject to the governing authorities. For there is no authority except from God, and the authorities that exist are appointed by God. Therefore, whoever resists the authority resists the ordinance of God, and those who resist will bring judgment on themselves."
– Romans 13:1-2

JUST A LITTLE HUMOR

In celebration of Veterans' Day tomorrow, November 11th, here is a story from "Humor in Uniform" found in Reader's Digest.

While checking the perimeter bunkers of Long Binh Post in Vietnam during the early-morning darkness, I was not challenged as I approached one bunker. Proceeding cautiously, I was within ten feet of the bunker when a young GI, without helmet or weapon, came jauntily out to meet me.

"Soldier, don't you challenge anyone approaching your bunker?" I asked as he came closer. He froze. "Yes, sir," he said. "But we thought you were the coffee man. The last time we challenged him, he dropped the coffee."
